I checked SEMS for the AR. There are 22 collections identified as AR that are not labeled as final. The 22 collections include various labels that are for OU2. I opened the collections with the largest amount of documents and those identified as AR or ROD. After looking at the files I can't confirm that any of those have all the document types that an AR requires.

Can you tell me where is the AR for VB/I-70 OU1? Is it necessary for a deletion? Does the deletion docket include the AR? We have all the significant docs on the website (RI/FS, etc...) but I don't know about the whole AR. I've also got Joan Seaman calling me about it....

Jennifer,  
Is the Administrative Record for the Vasquez-Boulevard - I-70 Site online, and, if so, could you send me a link? Thank you.
